E.S.D.

a

The class is assigned and maintained upon the understanding that the equipment will be made and the two bower anchors and stream anchor on board submitted to the Statutory Test to accord with the requirements of the Rules when the present state of emergency has passed.

Insert in S.R.L: (A bower anchor and 45 fathoms of chain cable to be supplied and two bower anchors and stream anchor on board to be submitted to Statutory Test.)

NOTE: See correspondence attached to First Entry Report on "FORT ST.JAMES" re discrepancies in scantlings.

The Surveyors should be referred to the instructions contained in the Secretary's Circular letter of the 12th August last and requested to state the reason for not closing the openings in 'tween deck bulkhead No.93 by hinged watertight doors.
