Lloyd's Register of Shipping.

OF MELBOURNE,

Port

14th March, 1944,

This is to Certify that I have

Surveyed the S.S. "HELEN MOLLER" - 5259 tons gross of Shanghai,

afloat and in dry dock for General Examination, Annual Load Line Survey, examination of vessel after grounding as recommended in Certificate issued at Whyalla, 23/11/43, no damage being found, and survey of panting cracks in shell plating,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and

that I have **Recommended** that she be continued as classed

DAI and have records of "Examined 3,44" & Dry Docking Mel.3,44 made in the Register Book, subject to panting cracks in shell plates port & starbd. (Electrically welded 3,44) being specially examined next docking,

being fit to carry dry & perishable cargo.

(Sgd.) B.P. FIELDEN

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any liability or responsibility whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society.
