Dear Sirs,

E. I think it well to enclose herewith for your information a copy of a letter, dated 23rd instant, addressed to the Society's Surveyor at Split, relating to the fire extinguishing and oil fuel pumping arrangements proposed for the steamer "KUMANOVO".

In this connexion the Society's Surveyor at Split states that all the equipment, including pipes and fittings, has been ordered from the Wallsend Slipway and Engineering Company, and is to be supplied to this Society's inspection.

I shall accordingly be glad if you will give this matter the necessary attention.

I am, Dear Sirs,

Yours faithfully,

Secretary.
