Dear Sir,

I beg to submit herewith for your approval plans, in duplicate, of the Oil Fuel Pumping Arrangements and the Fire Extinguishing Arrangements for the installation in the steamer "KUMANOVO".

It will be noted from the plans that all the equipment, including pipes and fittings, has been ordered from the Wallsend Slipway & Engineering Company, and I think I should make it clear that everything is to be supplied to the Society's inspection.

In regard to the Bunker Bulkheads, the plans for which were submitted to you on the 2nd. instant, I beg to inform you that the Shipbuilders are pressing for the approval of these as the work is being held up. If the reply has not yet been sent, perhaps you will be good enough to cable it.

I am, Dear Sir,

Yours faithfully,

[Signature]

The Secretary,
