

S.S. "GRAND DUKE ALEXANDER MICHAILOVITCH"

This case has been discussed with Mr. Stefan Racic, the new purchaser of the vessel, who states that the vessel will be put through survey with a view to classification at Fiume.

He has instructed the Owners' London Agents, Messrs. Balurizza to write to the Builders, Messrs. Kockums M.V. Aktieb, to obtain scantling plans, and on receipt of the same they will be submitted to this Office for examination.

It is submitted the Fiume Surveyor be advised, and it might be well to send a copy of the letter to Mr. Turnbull at Trieste.
