Dear Sir ,

Your letter 19th inst. relating to my Report N° 673 on the Steamer " Grand Duke Alexander Michailovitch " duly received & contents noted -

With regard thereto I beg to inform you that, as by the letter of Mr. Turnbull the Principal Surveyor for Italy to the Genoa Surveyors of which I enclose copy, I understood that the examination, to be held by the Genoa exclusively Surveyors, should have been done in the capacity of Surveyor to this Society .

However I will be guided accordingly to your instructions in future cases =

I am, Dear Sir ,
yours faithfully .
