

s.s. "KINGSWOOD"

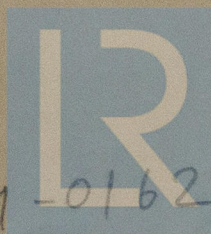

Explosion of Auxiliary Boiler at Port Pirie on 3.1.37.

The Owners have advised this Office by telephone to-day that the Board of Trade Survey of the above boiler will be held in the Tyne early next week.

It is considered that Mr. H.C. Forster, the Society's Senior Engineer Surveyor at Newcastle should join the Board of Trade Surveyor in this survey and IT IS SUBMITTED Mr. Forster be instructed accordingly. All the reports dealing with the case should be forwarded to the Newcastle Surveyors for their information.
