

Port of Newcastle  
October 4<sup>th</sup> 1937

REPORT ON MASTS, SPARS, AND RIGGING.

his

Having, in accordance with your instructions,

the Masts, Spars, Iron Work of same, and Rigging, of the  
S/S Kingswood Cyngni M<sup>rs</sup> J. Redhead & Sons Dock  
date of examination) Oct 4<sup>th</sup> 1937,

report that I found Fore and Main Topmast  
stays, Port and Starboard. Fitted  
the service. Recommend these to be  
d, and that the dead service be cleaned  
shrouds and stays. Wires coated and  
ed 6ft up. Several Rigging Screws  
ed and Bent. Recommend aft screws  
Rackles to be fixed made workable and  
ed where necessary.

Spars, other Rigging and Ironwork  
in good condition
