Enclosure.

14th January, 1936.

Dear Sirs,

With reference to our telephone conversation this morning respecting the case of the s.s. "KINGSWOOD", I have pleasure in forwarding herewith, as promised, a translation of the cablegram which has to-day been received from Mr. McCowan in the matter.

As this cable comes from Melbourne, it is presumed that Mr. McCowan is making a tour of the possible repairing ports, with a view to expediting the estimates, in accordance with your wishes.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.
