12th January, 1937.

Dear Sir,

Arising out of the exchange of cablegrams between us during the past week in the case of the steamer "KINGSWOOD", I think it well to let you know that it is proposed to render an account to the Owners from this office for the cost of my cablegrams to you, and I shall therefore be glad if you will confine your expenses in this connexion to those forwarded from our end.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.
