Dear Sirs,

S.

With reference to my letter of yesterday's date respecting your steamer "KINGSWOOD", I think it well to acquaint you that I received a cablegram this morning from Mr. McCowan, the Society's Principal Surveyor for Australia and New Zealand to the effect that, at the special request of your Australian Agents, he himself proceeded to Port Pirie today to join the local Surveyor in carrying out the requisite inspection in this case.

Mr. McCowan adds that he will report by cablegram.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
