

PUMPING ARRANGEMENT Endorsement.

Shipbuilders: Messrs. *Burntisland S.S. Co. Ltd.* Yard No. *213*.

Engineers: Messrs.

Engine No.

Owners: Messrs.

amended
It is submitted that the plan of
~~Pumping Arrangement~~ *of suction to No 6 double bottom tank*
merits approval, provided the arrangements be as
shown ~~and amended~~ on the plan and the remaining
requirements of Sections 20 and 34 of the Rules (1936-7)
be complied with so far as they are applicable.

*Further, the sketch of change over connection for the oil
fuel & water ballast systems merits approval.
With reference to the remarks contained in the last
paragraph of the Surveyor's letter, it should be pointed
out that since No 6 tank is not situated in the boiler
room, no exception need be taken to the omission of
cement in this compartment.*

Return ² plans & 1 sketch.

Retain copy of plan P. 36.

Mr. Potts
