

S.S. "DOCKLEAF".

Messrs. Bartrams No. 238.

(Converted for the carriage of oil in bulk)

Mr. Baggallay (of Messrs. Flannery, Baggallay & Johnson, the Managers on behalf of the Admiralty) called at this Office yesterday regarding this vessel, which is presently at Genoa undergoing repairs on account of damage said to have been sustained through striking a mine, and desired that a copy of the Genoa Surveyors letter giving a report of the damage done to the vessel, and also a copy of the profile sketch showing the position of the damage done, should be forwarded to him, on behalf of the Owners.

It is submitted a copy of the Surveyors letter and of the plan be forwarded to Mr. Baggallay as desired, for his information.
