Fusion Welded Bedplate.

Dear Sirs,

In reply to your letter of 24th November last submitting for approval the above plan in quadruplicate, I have to say that the plan will be approved provided the steel castings be made at approved Works and be tested as required by the Rules, the bedplate be made as shown on the plan to your satisfaction and the electrodes used be of a type approved by the Committee for the welding of parts of primary structural importance.

With reference to the stiffeners shown below the main bearings, these may be omitted as stated in the ^{copy} of the Secretary's letter of 16th December forwarded with my letter of 11th instant.

Lloyd's Register
Foundation

W252-0072 (12)

Two copies are being returned to you under separate cover.

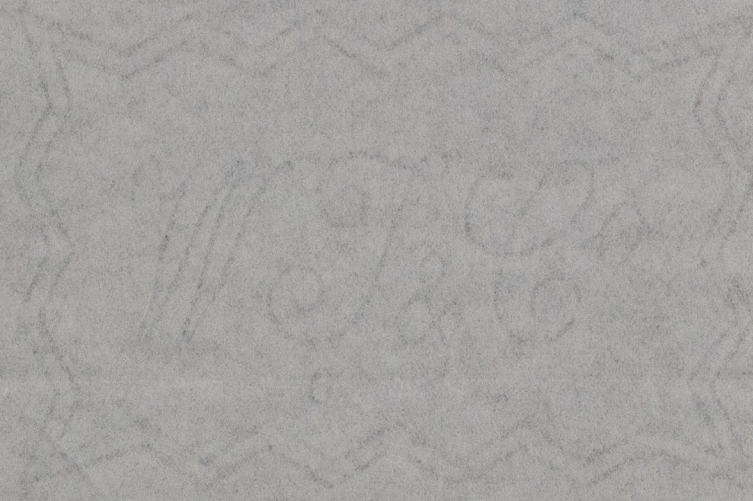

I am, Dear Sirs,

Yours faithfully,

e. Macpherson

SURVEYOR TO LLOYD'S REGISTER.

P.S. The sketches forwarded with your letter of the 7th inst.
are being returned together with the copies of letters sent with
that letter.
