Dear Sir,

Lloyd's Register of Shipping,

Ocean Chambers, Lowgate,

Hull, 5th February, 1945.

The Steamer "NEWLANDS", No. 81342 in the Register Book, is now at this port and a 6.5 k.w. electrical installation is being fitted at this time (no D.G.). Plans of Electrical Circuits and Switches, in triplicate, are submitted herewith and we should be glad to have an early approval.

We are, Dear Sir,
Yours faithfully,
The Surveyors,
Per:-

The Secretary,
