

SEI'S NAME "MAX PEMBERTON" REPORT Rjk. No. 867
1005

Extract from Reykjavik letter addressed to Mr. Jessen on
the 7th October, 1943.

I enclose a list of surveys due on Icelandic vessels and
have to say it is considered these surveys should be held at an
early date. I shall, therefore, be glad to learn as soon as possible
what arrangements are proposed to be made in the matter, or for
the surveys to be reported if already held.
