Dear Sirs,

ii. With reference to the Donkey Boiler Survey and Main Boiler Survey which became due on the steamer "PENOLVER" at the end of August and last month respectively, I have to acquaint you I am in receipt of a communication from the Society's Surveyors at Cardiff in which they state they have been informed by the Owners' Superintendent that this vessel is now discharging at Newport and that the surveys in question will be carried out at a Bristol Channel port within the next fortnight.

In the circumstances I shall be glad if you will be guided accordingly and give the case the necessary attention should it be decided to have the survey in question carried out in your district.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

BARRY, BRISTOL, NEWPORT & SWANSEA.
