Survey Due Donkey Boiler Survey due August, 1928.

On the 16th October last the Committee agreed to a proposal of the Owners to carry out the above survey on the vessel's return home in about two months' time.

The Owners have now informed the Cardiff Surveyors that the vessel has had a quick turn at Genoa and has now left for the U.S.A. They anticipate that she will return to a home port in about two months' time when the above survey will be carried out.

Submitted for approval.

Committee's Minute FRI. 28 DEC 1928
