Name, s.s. "PENOLVER"

QUESTION.

ANSWER.

Date:— 20th December 1928.

With reference to my
of the 16th October last,
I will be glad to learn, as the
vessel appears to have arrived
Genoa on the 6th instant, what
arrangements have been made
for the donkey boiler survey
to be held.

And

Owners state this vessel had
a quite turn at Genoa and it was
found impossible to carry out the
Donkey Boiler Survey at that port.
The vessel has now left for the
U.S.A. and it is anticipated she
will return to a home port in
about two months' time when this
survey will be carried out.
