16th October, 1928.

Dear Sirs,

I am in receipt of your letter of the 10th instant intimating that you have been informed by the Owners of the steamer "PENOLVER" that this vessel is now discharging at Rosario and that they are in treaty for a charter for the U.K. or Continent, in which case the vessel will arrive home in about two months' time when the Donkey Boiler Survey will be held. In reply I have to say that in the circumstances the Committee, who had the case before them at their meeting today, are agreeable to the survey in question being postponed for the present, and I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs,

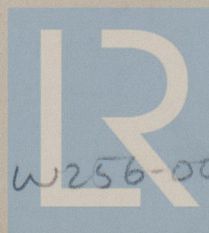

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

CARDIFF.
