Reference

Dear Sir,

Messrs. Rankin & Blackmore's No. 456.

I herewith submit for the consideration of the Committee, plan (in duplicate) of main boilers intended to be built by Messrs. Rankin & Blackmore, Ltd., for the above number for a working pressure of 200 lbs. per square inch.

This plan, in my opinion, merits the favourable consideration of the Committee for the above working pressure.

I am, Dear Sir,

Yours faithfully,
