25th May, 1928.

Dear Sir,

With reference to Glasgow Report No. 47878 on the engines of the new steamer "PUNTA GORDA", built by Messrs. Harland & Wolff, Ltd., at Belfast, I have to acquaint you that the portion of the new Register Book in which the records of this vessel appear will be due for press on Friday, the 8th June.

I am in communication with the Belfast Surveyors in regard to the classification fees but you will be good enough to let me know immediately the amount due to the Glasgow Office, namely £22.12.0, has been received, as it is desired, if possible, to include the full particulars of classification in the reprint.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,

GLASGOW.
