Lloyd's Register of Shipping.

Port Buenos Aires.

20th. March 1944.

This is to Certify *that I have*

surveyed the steel twin screw steamer "ROYAL STAR", of London,
860 tons net register, for examination of cement box in N^o4
lower hold port side and deck repairs.

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report, stating that all repairs
recommended by me have been completed to my satisfaction, and
*that I have **Recommended** that she be continued as classed*

in the Register Book, without fresh record of Survey, subject
to permanent repairs in N^o4 lower hold port side being effected
at the earliest convenient opportunity.

being fit to carry her cargoes in safety.

J. A. Ade

Surveyor to Lloyd's Register.

Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly
performed and it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances
to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any
entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its
Officers or any Member thereof, or the Surveyors, or other Officers or Agents of the Society.
