Lloyd's Register of Shipping.

Port *ALEXANDRIA,*

25th March, 1941.

This is to Certify that I have

Surveyed the S/S "DRACO" 2018 tons gross of Hull, afloat, on account of damage sustained to Shell plating Starboard side in way of N°2 hold alleged to have been caused by steel cargo lighter at Tobruk on the 17/3/41, also wasted plating in tween deck bunker, Port Side, and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all ^{temporary} repairs recommended by me have been completed to my satisfaction, and that I have **Recommended** that she be continued as at present classed +100.A.I. without fresh record of Survey subject to permanent repairs being carried out at Owners' convenience, being fit to carry dry and perishable cargo.

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any way in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
