High Close,
Wokingham, BERKS.

Dear Sirs,

s.s. "SPEKE"

We are in receipt of your letter of 20th instant, reference H & F, advising that the above steamer is due for general examination in November next, and in reply have to advise you that we cannot at this date, give you the Port at which this survey will be carried out, but most probably it will be Garston.

It will be our intention at the same time, to put vessel through annual load line survey.

With regard to Boiler Survey, we would advise you that this was completed on 24th instant.

Yours faithfully,

EDWARD NICHOLSON LTD.
