20th August, 1943.

For address further
communications on this subject
to the SECRETARY,
the following initials.

H. & F.

"SPEKE".

Dear Sir(s),

I am directed to acquaint you that in accordance with the arrangements at present in force for the substitution of Special Periodical Surveys by successive General Examinations at twelve-monthly intervals, a General Examination for maintenance of class of the above-named vessel will require to be held before the end of **November next** and I shall be glad to learn, for the information of the Committee, what arrangements are proposed to be made to submit her for the requisite inspection.

At the same time I think it well to remind you that the vessel's Freeboard Certificate will expire on the **30th November 1943** and you will doubtless wish to arrange for the necessary Freeboard Survey to be held in conjunction with the above General Examination, with a view to the renewal of this certificate.

I am, Dear Sir(s),

Yours faithfully,

Messrs. Edward Nicholson Ltd.,
Garston Docks,
LIVERPOOL, 19.

A. J. Barwick
Secretary.

P.S. I think it well to add that the Boiler Survey will become due at the end of the present month.
