Enclosure.

6th April, 1938.

Dear Sirs,

E.

Messrs. J.L. Thompson & Sons' Yard No.588.
 The Wallsend Slipway & Eng. Co's Contract No.932.

I am in receipt of your letter of the 4th instant relating to the above contract, and, as desired, return herewith the print showing thicknesses of the steam drum, which accompanied your communication of the 28th ultimo.

With regard to the plan of Steam Drum forwarded with your letter of the 10th February last, I regret to say that this would appear to have been mislaid in this Office. A thorough search is being made, however, and I will write to you again in the course of a few days.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
 NEWCASTLE-ON-TYNE.
