28th March 1938.

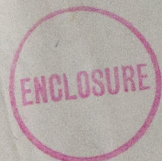

Dear Sir,

Reverting to your letter of the 19th November last in regard to the Yarrow Type Water Tube Boilers for The Wallsend Slipway & Engineering Co's Contract No. 932, Messrs. J. L. Thompson & Sons' s.s. No. 588, we beg to forward, as requested, a set of blue print copies of the plans approved for these Boilers.

The approved plans are also forwarded herewith excepting that of the steam drum which was forwarded with our letter of the 10th ultimo.

A print showing the thicknesses of this steam drum after machining is also enclosed.

We are, Dear Sir,
Yours faithfully,
