Dear Sir,

Reverting to the previous correspondence in regard to the gearing for the Turbine Machinery of Messrs. Wallsend Slipway & Engineering Co's Contract No.932, we beg to forward for consideration a sketch showing the preliminary arrangement of primary gearing which it is proposed to fit on the H.P. drive only.

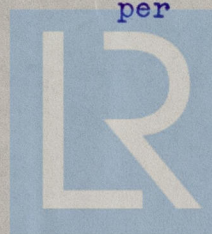

The sketch showing the preliminary arrangement of gearing approved on the 3rd instant is also forwarded herewith.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,
