28th February, 1939.

Dear Sirs,

M.

I have to acquaint you that Mr. Cyril Thompson has called at this Office to-day regarding the equipment number of Messrs. J.L.Thompson & Sons' Yard No. 588. The number proposed by them on the midship section was 43266 (letter c†), and in computing this number they included, in error, the after deckhouses, none of which exceeds in length or breadth half the breadth of the vessel, and therefore, in the terms of Section 39, Paragraph 2(c), need not be included in the number. Omitting these deckhouses the equipment number is 43184 corresponding to letter b†, Table 53.

The matter has been carefully examined, and the Builders' revised computation is concurred in, and I have wired you to-day, as requested by Mr. Thompson, as follows :-

"THOMPSONS 588 EQUIPMENT MAY BE ACCORDANCE LETTER B DAGGER  
"WRITING".

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
SUNDERLAND.
