Dear Sirs,

No. 588 Ship.

With reference to the Deep Tank plans which we sent you on the 15th. inst., for approval, will you please consider the scantlings on the basis of having overflow pipes 1'6" above upper deck instead of relief valves 13'0" above top of tank, which it is proposed to dispense with.

Yours faithfully,

FOR AND ON BEHALF OF  
JOSEPH L. THOMPSON & SONS, LIMITED.
