

# Lloyd's Register of Shipping,

55, Fawcett Street,

Sunderland, 17th January, 1939.

Reference

Dear Sir,

Messrs. J.L. Thompson & Sons' vessel No. 588 is now fitting out on the Tyne to which river she has proceeded for machinery and Nos. 2 upper and lower 'tween decks are being insulated by Messrs. Gregson of London.

Up to the present we have not received an approved plan nor specification of the insulation from this Firm and shall be glad to know whether these have been approved.

The Builders inform us they have no sub-plans in their possession but are communicating with Messrs. Gregson tonight requesting that plans and specification should be forwarded for our guidance.

We are, Dear Sir,

Yours faithfully,  
THE SURVEYORS,  
PER:

*W. C. Hulls*

The Secretary,

LONDON.

W261-0312

Referred to the Chief Ship Surveyor  
and the Chief Engineer Surveyor.

18 JAN 1939

*W.D.*  
Messrs Gregson state that they have no plan of the  
the insulation at their London Office but they are  
communicating with the Builders regarding it.  
The Sunderland surveyor should be advised *19/1/39*
