Messrs. Sir James Laing & Sons Ltd.,

Deptford Yard,

Sunderland.

Dear Sirs,

S/S No: 649.

We should be glad if you will put before Lloyds Committee,
request from us to dispense with the intermediate bulkhead in the
forward hold of the above vessel, as were this fitted, it would
practically make the vessel useless for the special trade for which
he is intended.

Yours Faithfully,

Tyzack & Branfoot.
