High Close,

Wokingham, Berks.

22nd September, 1943.

Dear Sir(s),

"SLOGA".

I am directed to acquaint you that in accordance with the arrangements at present in force for the substitution of Special Periodical Surveys by successive General Examinations at twelve-monthly intervals, a General Examination for maintenance of class of the above-named vessel will require to be held before the end of **December next** and I shall be glad to learn, for the information of the Committee, what arrangements are proposed to be made to submit her for the requisite inspection.

At the same time I think it well to remind you that the vessel's Freeboard Certificate will expire on the **29th December, 1943** and you will doubtless wish to arrange for the necessary Freeboard Survey to be held in conjunction with the above General Examination, with a view to the renewal of this certificate.

I am, Dear Sir(s),

Yours faithfully,

Messrs. Atlantska Plovidba d.d.,
