QUESTION.

ANSWER.

Reverting to your letter of the 3rd September last, I think it well to inform you that the registration of this vessel has recently been closed.

In the circumstances, I shall be glad if you will kindly let me know whether it is to be understood that salvage operations have ceased and that the steamer is to be considered a Total Loss.

Date: 24th. February, 1944.

I have been informed by the Owners that this vessel may now be considered as a total constructive loss.
