Reference

Dear Sir,

We are informed by Messrs. G. Clark (1938), Ltd. that the contract for the machinery and boilers of the vessel No. 243 to be built by Messrs. Wm. Pickersgill & Sons, Ltd. originally booked to be made by their Associated Company, The North Eastern Marine Engineering Co., (1938), Ltd., Wallsend, Contract No. 2958, has been transferred to Sunderland to become Messrs. G. Clark (1938), Ltd., Contract No. 1218.

It is understood that certain plans have been submitted for the consideration of the Committee through the Newcastle Surveyors.

In the circumstances we should be glad if the Newcastle Surveyors could be informed of this transfer and instructed to forward any approved plans and relevant correspondence to this office.

We are, Dear Sir,

Yours faithfully,
THE SURVEYORS,
