Dear Sirs,

No. 1424 "Oslo IV" - Anchors.

In reply to your favour of 5th instant
regarding the supply of bow anchors that have been
previously used, we beg to inform you that we have no
objection to this, even if Lloyd's cannot supply fresh
certificates, as long as we obtain the original certifi-
cates: this, of course, provided it has no influence on
the ship's class, + 100 A 1.

Yours faithfully,
per WILH. WILHELMSEN
