Reference

Dear Sir,

With further reference to your letter of the 11th January and my reply of the 2nd inst. respecting the La Mont exhaust gas heated boiler proposed by Messrs. Deutsche Werft, Kiel for Messrs. Schichau's Yard No. 1424 I have to state, that the maximum evaporative capacity of this boiler amounts to 1000 kg/hour.

I am, Dear Sir,

Yours faithfully,

J. A. M. E. T. S. C.

The Secretary,
LONDON.
