Re: Yard No. 1424 "OSLO IV"

We are sending you herewith for your approval plans in triplicate (No. A. 2501 - "Fael oil plan") in respect of a further vessel we are building for Messrs. Wilh. Wilhelmsen of Oslo, which ship is a sister ship of yard No. 1357 "OSLO I" and No. 1396 "OSLO III".

We ask you to be good enough to return to us one copy as soon as possible duly approved and signed.

Mr. James C. Dykes of Zppot has received a similar plan together with a copy of this letter.

Yours faithfully.
