Dear Sir,

M/S "TAMESIS".

We beg to inform you that we have not yet received any certificates from the Head Office for this vessel, wherefore we presume that your "First Entry Reports" etc., which you promised the writer to forward soonest possible to the Head Office, have not reached this office. We shall therefore be pleased if you will be kind enough to send us a copy of the "First Entry Reports" and other necessary documents in connection with issuing of certificates, enabling us to take the matter up with the classification people.

At the same time we take it that the builders have paid the classification fees, and if not, kindly let us have your information regarding this matter.

Awaiting your early reply and thanking you in anticipation, we remain,

Yours faithfully
