Dear Sir,

In reply to the classing letter of the 26th instant, respecting the steamer "TREVORIAN" Nwc. Rpt. No. 73688, I beg to advise you that the bulb angle frames extend in one length from margin to upper deck as on the approved plans, and it is regretted that this was not made quite clear on my report.

I am, Dear Sir,

Yours faithfully,

*J. Macdonald.*

The Secretary,

London.
