Lloyd's Register of Shipping.

Port OF MELBOURNE,

4th March, 1944.

This is to Certify that I have

Surveyed the ^{port} Boiler and ^{part} Machinery of the S.S. "TJISALAK"

5787 tons gross of Batavia, for General Examination, part Boiler survey and examination of main engine crank shaft journals and top half bearings,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have

Recommended that the record of "Examined 2,44" be made in the Register Book, subject to crank shaft main bearings being examined at next annual General Examination, and record of B.S.3,44 be made in the Register Book in the case of this vessel, when the Boiler Survey has been completed.

(Sgd.) B.P. FIELDEN

Engineer Surveyor to Lloyd's Register

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or in any entry in the Register Book or other publication of the Society, or for any error of judgment, or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society.
