T.S.M.V. No. 291 - TIMBER CARRIER.

Dear Sirs,

We herewith enclose three prints of the Structural Sections, Profile, Decks and Bulkheads, for the above vessel, and we shall be glad to have your approval of same as early as possible.

This vessel is 255'0" x 45'0" x 21'6", and is to be classed Lloyd's 100A1 with Freeboard corresponding to a moulded draught of 14'0" summer.

The original scantlings for this vessel were given to us by your London Office.

Yours faithfully,

HENRY ROBB LIMITED.
