

Shipbuilders: Messrs. *Fredrikstad*

Yard No. *267*

Engineers: Messrs.

Engine No.

Spare cast steel propeller for sea navigation.

It is submitted that the plan of *Oslo Surveymen* be informed
it is noted that ~~the material of this~~ *propeller, made by*
for Messrs. Kohlen Jernvarks A/B, (a firm which is on the list
provided of steelworks approved by the Committee), has been
delivered with the works certificate of test and that the
material has not been tested by the Societys Surveyors.

In order that the case may be fully examined,
the Surveyors should be requested to forward a plan
showing the scantlings of the propeller for consideration

Return plan.

Retain *works test certificate*
in the meantime.
