Received by Chief Ship Surveyor.....

Received from Chief Ship Surveyor.....

VESSEL'S NAME "VILLE DU HAVRE" REPORT Msl. No. 10306

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

"The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

To complete a 3rd S.S. No.1 due 5,41 (vessel 23 years old) there remained the examination of the F.P. tank top plating and the testing of this tank.

The class is subject to indented shell plates E.4 and framing in way (s.s) and E.4 & 7 (p.s) being dealt with at the Owners' convenience.

The MARSEILLES Surveyor reports the vessel placed in dry dock, bottom coated, F.P. tank top plating, excepting stringers, renewed and the S.S. as above, completed.

It is submitted the vessel appears worthy to remain as-classed with record of survey 6,42 and notation of S.S. No.1-41 subject as above.
