

by Chief Ship Surveyor 18. 5. 20

Received from Chief Ship Surveyor

VESSEL'S NAME Steel. S.S. "VILLE DU HAVRE". Rpt. Npt. No. 19646

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/82.)

o Survey

The Cardiff Surveyors should be informed that this vessel is proceeding to their port, and the following remain to be done to complete the survey:—

Brackets to be fitted at heads of pillars.

Rider plate to be fitted to shelter deck girder in way of aftermost hatch.

Collision bulkhead to be extended to shelter deck.
