

S.S. "VILLE DU HAVRE".

---

This vessel has recently been constructed by the North of Ireland S.B.Co., and the Owners have desired that she be classed with this Society.

It is submitted the Cardiff Surveyors be instructed by wire to survey the bottom of the vessel while she is in dry dock at their port, in view of the Owners' request for classification.

Whilst in dry dock the sea connections & fastenings of propeller should be examined. Before the vessel is classed the screw shaft should also be examined. Surveyors should inform the owners of this requirement.
