Dear Sirs,

I am in receipt of your letter of the 30th ultimo, in further reference to the proposed conversion of the steamer "VESTFOLD" to M.T. Service.

The matter has received consideration, and I confirm the following telegram which was sent to you this morning:-

"VESTFOLD" deck doubling should be extended beyond after end of hatch. Arrangement supports at hatch sides as approved present hatch.

As requested, I return the plans of midship section and profile which you forwarded for reference.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,
