

S.S. "VESTFOLD"

---

It is submitted the Newcastle Office be informed that the Sea Transport Office have been communicated with, and they state that they have just completed the final plan embodying the arrangements detailed in the memorandum already sent to the Newcastle Office.

It is anticipated that this plan will be submitted to this office to-morrow for final approval, and in the meantime the local Sea Transport Office are forwarding an advance copy of this plan to their Newcastle Office for their information. Immediately this final plan is approved a copy will be sent to the Surveyors.

The Sea Transport Office state that there is no question of fitting additional watertight bulkheads in the tween-decks of this ship.
