GLASGOW

17 JUL 1942

Dear Sir,

S.S. "VESTFOLD".

ANSR.....

With reference to your endorsement dated 10th instant regarding modifications to be effected to this vessel, we shall be glad to receive as soon as possible copies of the plans, which it is understood are being prepared, as the vessel is now here.

It is noted from the Register Book that there are 18 Watertight Bulkheads of which 14 only extend to the second deck. With reference to recent instructions regarding the fitting of Watertight Bulkheads in the 'tween decks, we shall be glad to know whether such extension is proposed in the present case, and to receive a sketch showing the proposed arrangement.

We are, Dear Sir,  
Yours faithfully,  
THE SURVEYORS,
